Dear Mr & Mrs Thomas,

Thank you very much for showing me all the details of your glass making, and for giving me the samples of glass, and especially the panel of stained glass with the slice of stone in it. I have put it up in my flat, and will treasure it always.

I enjoyed meeting you both, and your family, and it was very kind of you to invite us over. Your coffee and cakes were really delicious! What a pity we don't have a reputation for such beautiful home made gateaus in England!

The R.A.F. Wildenrath stained glass window looks quite magnificent, and thank you for all the work you did. It was very rewarding to visit Germany for the dedication and to see the window installed in the Church. I found it all very moving and I was rather at a loss for words!

Thank you once again for all you have done.

My best wishes to you both and your family.

Yours sincerely,

Penelope.
